

## Q and A - 23 /11/2022

**Question #3 – 22/11/2022** – Submitted by a Competitor

Are mixed crews in Two-Person boats to be scored with the Men (as they are at the World Sailing Youth Worlds), or are they to be scored separately in the Open category as described on SI 6.3?

### **Answer #3**

In the World Sailing Youth Worlds 2022, Mixed Crews were classified with Men Crews, because it was an event both Male/Mixed crew, as can be read in its NOR 3.7.

In current South American Youth Championship, the mixed teams are classified in the Open event because in South American Youth Championship it's a separately Man, Woman and Open event, and there is not a Male/Mixed event.
